

This overview was compiled from the information published on robustbook.com and is **not a manufacturer datasheet**. The manufacturer's own specifications are the binding source.
As at: 08 August 2026.

A manufacturer datasheet for the Fieldbook P101 is available (Logic Instrument, as at 02 May 2023); it is linked below: [Logic-Instrument_Fieldbook_P101_EN.pdf](#) →

Core data

Display size	10.1 inch
Resolution	1920 x 1200 (Full HD)
IP rating	IP65 [1]
MIL-STD	MIL-STD-810G
Brightness	700 nits
Processor	Intel® N5105 (2 GHz up to 2.90 GHz)
Memory and storage	Memory 8 GB DDR4 · SSD 128 GB M.2
Battery	7.4 V / 5,000 mAh, hot-swappable
Weight	1.14 kg
Operating temperature	-20 °C to +60 °C
Interfaces	USB 3.0 × 1 · Micro SD × 1 · SIM × 1 · Dock × 1 · RJ45 10/100 × 1 · RS232 (optional, replaces RJ45) · HDMI 1.4a × 1 · USB Type-C × 1 · Audio × 1

Configurable

[Yes, on request](#)

Data notes (contradictions resolved):

1. IP rating: the introduction on the product page ([/en/fieldbook-p101](#)) previously stated "IP67 certification", while the "Certificates" section of the same page stated "IP65". The manufacturer datasheet (Logic Instrument, as at 02 May 2023) clearly states "IP65 - MIL-STD 810" under "CERTIFICATIONS". This is now resolved: IP65.
2. Operating system: the introduction on the same product page previously stated "Android", while the "Operating System" section of the same page stated "Windows 11 Pro". The English manufacturer datasheet lists both "Windows 10 PRO" and "Windows 11 PRO" under "OPERATING SYSTEM"; Android is not mentioned anywhere in the document. This is now resolved: Windows 10 Pro / Windows 11 Pro. The French version of the manufacturer datasheet (as at 10 May 2023) lists only "Windows 11 PRO" at the same place - a difference between the two language versions of the manufacturer document, see the report.

Features and options

Excerpt from the manufacturer description on the product page and the manufacturer datasheet. No configurator available, no prices.

- Camera: 5 MP front, 8 MP rear
- Barcode reader: built-in laser scanner, 50 scans/s (optional, replaces the RJ45 port)
- Security: TPM 2.0, fingerprint reader, removable SSD for maintenance
- Accessories: desktop docking station with second battery charger, vehicle docking station, hand strap, carrying handle
- Scope of delivery per manufacturer datasheet: tablet, battery, power supply, power cord, digitizer pen, user manual
