Brand: Fieldbook · Device class: Tablet

This overview was compiled from the information published on robustbook.com and is **not a manufacturer datasheet**. The manufacturer's own specifications are the binding source.
As at: 08 August 2026.

A manufacturer datasheet for the Fieldbook P122G2 is available (Logic Instrument, as at 07 December 2023) in two languages: [Logic-Instrument_Fieldbook_P122G2_V02_EN.pdf](#)
→ · [Logic-Instrument_Fieldbook_P122G2_V02_FR.pdf \(French\)](#) →

Core data

Display size	12.2 inch
Resolution	1920 x 1200
IP rating	IP65
MIL-STD	MIL-STD-810G
Brightness	

650 nits [\[1\]](#)

Processor	Intel® Core™ i7-1255U [2]
Memory and storage	16 GB RAM · 128 GB SSD (further storage options available per the manufacturer datasheet, without specific capacities stated) [3]
Battery	7.4 V / 6,300 mAh, replaceable without tools; backup battery 7.4 V / 700 mAh
Weight	1,600 g [4]
Operating temperature	-20 °C to +60 °C
Interfaces	USB Type-C 3.0 × 1 · USB Type-A 3.0 × 1 · Micro SD × 1 · SIM × 1 · RJ45 (Gigabit Ethernet) × 1 · Mini-HDMI 2.1A × 1 · POGO (docking station) × 1 · 3.5 mm audio × 1 · DC-in × 1; optional: RS232 (Sub-D9, replaces RJ45), USB 2.0 Type A (replaces RJ45), N3680 1D/2D barcode scanner [5]
Configurable	Yes, on request

[manufacturer datasheet](#)
[comparison](#)

[table: tablets](#)

Data notes (corrections from the manufacturer datasheet):

1. Brightness: previous value "280 nits" (source: comparison table: tablets). The manufacturer datasheet states "650 Nits". The new value is adopted.
2. Processor: previous value "Intel® Core™ i5-1135G7 (quad-core)" (source: product page). The manufacturer datasheet states "Intel® Core® i7-1255U". The new value is adopted; it is possible the product page describes an older processor generation of this model.
3. Memory and storage: previous value "Memory 8 GB or 16 GB LPDDR4x · SSD 128/256/512 GB" (source: product page). The manufacturer datasheet states only "RAM de 16Go" and "SSD de 128Go (autres options disponibles)", without the 8 GB option and without stating the specific additional SSD capacities. The core-data value now follows the manufacturer datasheet; the more detailed product-page figures are no longer confirmed (the "Configurable" row still references them, see the report).
4. Weight: previous value "approx. 1,500 g" (source: product page). The manufacturer datasheet states "1600g". The new, exact value is adopted.
5. Interfaces: the previous row listed "RS232 × 1" as standard and named neither RJ45 nor the exact HDMI type. The manufacturer datasheet lists RS232 (Sub-D9) and an additional USB 2.0 Type-A port under "OPTIONS (Remplace le port RJ45)" - both are therefore optional and replace the RJ45 port, not standard equipment. The row was split into standard equipment and options accordingly, and extended with RJ45, DC-in, and the exact HDMI type (Mini-HDMI 2.1A).

Features and options

Excerpt from the manufacturer description on the product page and the manufacturer datasheet. No configurator available, no prices.

- Operating system: Windows 11 Pro
- Camera: 2 MP front / 8 MP rear camera with autofocus
- Connectivity: Wifi 6, Bluetooth 5.1, LTE FDD/TDD, WCDMA, GPS, NFC
- Security: TPM 2.0, fingerprint reader
- Optional (replaces the RJ45 port): N3680 1D/2D barcode scanner, RS232 on Sub-D9, USB 2.0 Type A
- Drop-tested to 1.2 m height per manufacturer datasheet
- Scope of delivery (per manufacturer datasheet): tablet, digitizer pen with battery, AC/DC power adapter, back strap, carrying handle, shoulder strap, USB Type-C cable, user manual
