

This overview was compiled from the information published on robustbook.com and is **not a manufacturer datasheet**. The manufacturer's own specifications are the binding source.
As at: 08 August 2026.

A manufacturer datasheet for the Fieldbook P80 is available (Logic Instrument, as at 12 January 2024); it is linked below: [Logic-Instrument_Fieldbook_P80_V03_FR.pdf \(French\)](#)
→ Logic Instrument publishes neither an English nor a German version of this model's datasheet; it exists in French only.

Data note (contradiction resolved):

1. IP rating: the introduction on the product page (</en/fieldbook-p80>) previously stated "IP67-certified", while the "Certificates" section on the same page stated "IP65, MIL-STD-810H". The manufacturer datasheet (Logic Instrument, as at 12 January 2024) clearly states "IP65, MIL-STD-810H" under "CERTIFICATIONS". This is now resolved: IP65.
