Brand: Getac · Device class: Tablet

This overview was compiled from the information published on robustbook.com and is **not a manufacturer datasheet**. The manufacturer's own specifications are the binding source. As at: 08 August 2026. No manufacturer datasheet for the Getac EX80 exists any more – in any language. Getac has removed the model and its documents from getac.com, and no version is retrievable among the archived Getac datasheets in the Internet Archive either (search date: 08 August 2026). The figures on this page therefore come from our own records; anything unverified is marked "-".
